The Bishop's Pen

Greetings!

Getting God to open a great door. (by Pastor Vandera Carey) Make God your Primary Interest

- 1. This interest cannot be shared in any way. This means that there cannot be any competing interest; our number one priority should be to follow His commandments, His love and His purpose for our lives. Nothing should come before God; not family, job, money, vacation choice. None of these things should jeopardise our first obligation to God.
2. We must first have a relationship with the Son of God in order to reach the Father. How do we do this? By spending time in the Word of God. We ought to meditate on His Word day and night.
3. Fasting and Prayer. We ought to pray but even when we pray we must not pray to be seen like the hypocrites who come into the synagogues and put on a show. But we ought to pray in secret in a room to our Father who is unseen. Its not about being seen.
4. Our fourth point in getting the door open is to have faith. The Word of God says that with our faith it is impossible to please God; so after you fast and pray, we must have faith to believe that God will open the doors.
